Currently, passengers purchase ticket exchange vouchers (paper tickets) for the above tickets at places such as overseas travel agencies and exchange them for specially planned tickets at the Keisei Electric Railway counter after arriving in Narita Airport.

This service sends ticket exchange voucher information for tickets sold by Japan Holiday Travel via QR code to a device such as a smartphone allowing passengers to get their specially planned tickets by showing this QR code at the Keisei Electric Railway counter inside Narita Airport. Passengers can carry out boarding procedures without bringing ticket exchange vouchers (paper tickets) with them making their Keisei Skyliner experience smoother. Keisei Electric Railway is the first railway company in the Kanto Area to offer ticket information sending services via QR code through a tie-up with Japan Holiday Travel.

The “Skyliner Coupon” is a special ticket for foreign visitors to Japan. This makes it possible to buy a “Keisei Skyliner” one-way passenger ticket and limited express ticket at a discount price in local travel agencies prior to coming to Japan.

The “Keisei Skyliner & Tokyo Subway Ticket” is a plan passenger ticket for foreign visitors to Japan. The ticket combines one-way or return fare on the “Keisei Skyliner” with the “Tokyo Subway Ticket”, which provides free travel on 13 subway lines (nine lines of the Tokyo Metro Subway plus four lines of the Toei Subway) for 24 hours, 48 hours or 72 hours.
